KR. 65,-

BROWN ALE

This dark and powerful ale is based on a combination of 4 types of malt, which gives the ale a complex malt profile and velvety and nuanced flavor.

Top fermented.

RED ALE

Refreshing American ale characterized by a fine red color and plenty of balanced aroma hops and malt in both fragrance and flavor.

Top fermented.

AMBER

Amber, with full-bodied and rich malty taste. Brewed with caramel malt, together with bitter hops. Amber Lager is slightly sweet with a faint echo of caramel. During fermented.

BLOND LAGER

Refreshing, easy-drinking beer that leaves a nice spicy aftertaste of good hops on the lips.

During fermented.
