

## BLOND LAGER

Our master brewer has created a refreshing beer with good, rich flavor. Blond Lager has a light and spicy aftertaste, and a fresh, soft bitterness. The taste is good with lots of fullness, and it is a pure pleasure to drink.

## CHRISTMAS BEER

Fægekroen's Christmas beer is made with respect for the traditional Danish Christmas beer, but the master brewer has maintained the refreshing touch that characterizes the brewery's other products. Enjoy the light touch of sweetness, the great depth of flavor and the beer's pretty, dark suit.
